

Spring Field Clean-up Invitation from the Rotary Club of Mt. Pleasant:

Due to the nice weather moving in, we have an opportunity to help the Union Township Little League with their spring field clean-up on Sunday, March 19th from 1:00-2:00pm. Their ballfields are located at McDonald Park on the corner of Lincoln and Pickard roads. During this field clean-up, we usually rake fields, sweep dug-outs, clean-up trash, build up mounds, etc. If this is something you are willing to help with, please text the club's Community Service Project Committee Chair, Quana Hoffman, at (989) 621-5901.

Thank you so much!
