

Zoning Board of Appeals

Cancelled

Due to a lack of agenda items and an unexpected glitch in access for our new Zoning Board of Appeals (ZBA) members to the Board of Appeals training modules in the Michigan Townships Association (MTA) Online Learning Center, the February 1, 2023 regular ZBA meeting has been cancelled.

We will plan to hold an organizational and training meeting for the Board of Appeals on Wednesday, March 1, 2023. We expect MTA to have the glitch corrected shortly, and will notify members when Online Learning Center access is available. If possible, please plan to complete the Board of Appeals training modules on the MTA Learning Center website before the March meeting.
