You are Invited to a Presentation:

Pump Station #7 Service Area Study/Findings

Date: Wednesday October 10, 2018

Time: 7:00 pm

Location: Charter Township of Union Hall

2010 South Lincoln Road, Mt. Pleasant MI

The Township Board of Trustees requested a comprehensive study of the existing sanitary sewer collection and distribution system infrastructure including Pump Station #7 (McDonald Drive), Pump Station #8 (Scully Drive) and the corresponding service area. The focus of this study was to evaluate the condition and operations of the existing infrastructure.

Gourdie Frasier, the Professional Engineers for Charter Township of Union who conducted the study will present their findings on **Wednesday, October 10, 2018 at 7:00 PM** during the **Board of Trustees Meeting**.

Please pass this invitation along to your neighbors, or interested parties. If you have any questions please call the Charter Township of Union Public Works Department at 989-772-4600 ext. 223 or 224.
