- Bulk water users must obtain a Bulk Water Permit from the Union Township Public Services Department. Permit application can be found on the Township’s website at www.uniontownshipmi.com or can be obtained at the Township Hall located at 2010 S. Lincoln Road, Mt. Pleasant MI 48858. Bulk water permits will not be issued until required deposit is received.
- The Bulk Water Permit will be good for a period of thirty days only.
- The Bulk Water Permit must accompany all haulers/users at time of fill.
- During cold weather conditions over two consecutive days of temperatures of 32 degrees or below voids bulk water permit and use of meter/hydrant.
- Bulk water can only be hauled in tankers approved by Union Township. These tankers will be filled from the top opening.
- All fills must be scheduled through the Public Services Department. All water will be obtained at the fill site located at 4795 South Mission Road or on a pre-approved fire hydrant. Scheduling of all fills must be made at least **24-hours** in advance.
- When a fill is scheduled the Township Public Services Department will provide a user ticket.
- At time of fill the user ticket will be completed and signed by the service personnel and the bulk water user.
- The original ticket is returned to the Township Public Service Department by service personnel for billing and a copy is given to the hauler/user.
- Any and all damage to the equipment, backflow preventer, or meter will be the responsibility of the hauler. Cost of repairs and replacement will be deducted from the refundable deposit or invoiced to the user.
- Water charged will be billed to the permit holder or deducted from the deposit when the permit expires.
- The Township reserves the right to deny any bulk water use permit request.
- Bulk Water Permits are not available until May 15th or after or Spring Hydrant Flushing Program.
