## Data Collection

Dear Charter Township of Union Water and Sewer Customer:

Charter Township of Union is required to collect and report data annually as part of the Rural Development program, a federally funded loan program. Listed below is the data we are to collect from our water and sewer customers, as well as the required disclosure statement.

Please take the time to complete the questions at the bottom of the form, sign and date, and return it to Charter Township of Union. If you wish not to provide this information, please check the appropriate line and return the form.

The following information is requested by the Federal Government in order to monitor compliance with Federal Laws prohibiting discrimination against applicants seeking to participate in this program. You are not required to furnish this information, but are encouraged to do so. This information will not be used in evaluating your application or to discriminate against you in any way. However, if you choose not to furnish it, we are required to note the race, ethnicity and sex of applicants on the basis of visual observation or surname.

The Charter Township of Union is an equal opportunity provider.
