APPROVED BY:

Margie Henry, Clerk

Russ Alwood, Supervisor

(Recorded by Jennifer Loveberry)

CHARTER TOWNSHIP OF UNION

Board of Trustees

Regular Meeting

A regular meeting of the Charter Township of Union Board of Trustees was held on February 10, 2016 at 7:00 p.m. at Union Township Hall.

Meeting was called to order at 7:00 p.m.

Roll Call

Supervisor Alwood, Clerk Henry, Treasurer Rice Trustee Hauck, Lannen, Mielke and Mikus were present.

Others Present

Jennifer Loveberry

Public Comment – open 7:01 pm

Norm Woerle, 5685 Carriage Ln. – commented on Broomfield Rd. Project, Crawford Rd. safety

Reports/Board Comments

Mielke – Mary Senter / CMU meeting Planning Commission on 2/16/16.

Alwood – Road Commission will be conducting traffic study

Mikus – Sustainability Committee set annual clean up day for June 25, 2016. Mentioned the expiring seat on the Planning Commission.

Mikus moved **Mielke** supported to advertise for expiring seat on the Planning Commission.

Vote: Ayes: 7 Nays: 0.

Lannen – William Newkirk was hired as Interim Manager, he will start 2/16/16.

Approval of Agenda

Hauck moved **Rice** supported to approve the agenda with changes, postponing item C until Planning Commission comes to the Board with an ordinance. **Vote: Ayes: 7 Nays: 0. Motion carried.**

Consent Agenda

- A. Communications
- B. Minutes – January 27, 2016–Regular Meeting
- C. Bills
- D. Payroll
- E. Fire Reports

Mikus moved **Hauck** supported to approve the consent agenda with changes, removing Meeting Pay and correcting Minutes. **Vote: Ayes: 7 Nays: 0. Motion carried.**

BOARD AGENDA

A. 2016 Township survey / discussion with Mary Senter (CMU)

The Board discussed the updates Mary Senter made for the 2016 Township Survey and are planning an upcoming work study.

B. Tax Dollars at Stake County Wide

Pat DePriest presented information to the Board.

C. Budget Adjustment – Parks Truck Purchase

Mikus moved **Hauck** supported to approve the staff's recommendation for the Parks truck purchase taking \$20,000 in contingency, \$5,000 General Fund, and \$200 from parks budget truck repairs. Let Interim Manager find adjustments to replenish contingency fund in the next few weeks. **Vote: Ayes: 7 Nays: 0. Motion carried.**

D. Broomfield Rd. Case Study Discussion

Discussion was held by the Board. Add to February 24, 2016 Agenda.

E. Municipal Violation Ordinance Discussion

Mielke moved **Hauck** supported to table until February 24, 2016 meeting. **Vote: Ayes: 7 Nays: 0. Motion carried.**

EXTENDED PUBLIC COMMENT

James Holton of the 4th District County Commission updated the board on the county government.

Norm Woerle, 685 Carriage Ln., - Commented on Township transparency and feedback from residents. Also commented on the Planning Commission reviewing the Master Plan and zoning, look into implementing form based zoning to see if it would be beneficial to our residents.

FINAL BOARD MEMBER COMMENTS

Lannen – Mentioned safety on Crawford Rd. needs to be a priority.

Mielke – Explanation on form based zoning (use based) that was brought up by Woerle was explained.

Alwood – The residents on the Township Boards are there because they want to serve the community. Safety training / active shooter training was held at the Township and door locks have been implemented.

ADJOURNMENT

Hauck moved **Rice** supported to adjourn the meeting at 9:30 p.m. **Ayes: all. Motion carried.**

APPROVED BY:

Margie Henry, Clerk

Russ Alwood, Supervisor

CMU's Spring 2015 commencement

Share Your Comments

As part of its ongoing effort to make the accreditation process responsive to a broad range of constituents, the HLC has integrated the third-party comment process into its regular accrediting processes. The HLC values your thoughts on the quality of education provided by CMU and invites you to submit comments. These comments will be forwarded to the evaluation team members to include in their review of the institution.

Online

Submit comments on the commission's website at <https://www.hlcommission.org/HLC-Institutions/third-party-comment.html>

Third-Party Comment on Central Michigan University
The Higher Learning Commission
230 South LaSalle Street, Suite 7-500
Chicago, IL 60604-1411

Your comments should be received by the HLC no later than March 20, 2016.

Advancing Excellence: Forging CMU's Future

At Central Michigan University, our vision, mission, core values, and five strategic priorities are the center of our educational leadership.

Vision Statement

Central Michigan University, an inclusive community of scholars, is a national leader in higher education inspiring excellence and innovation.

Mission Statement

At Central Michigan University, we are a community committed to the pursuit of knowledge, wisdom, discovery, and creativity. We provide student-centered education and foster personal and intellectual growth to prepare students for productive careers, meaningful lives, and responsible citizenship in a global society.

Core Values

To achieve our mission, we adhere to the core values of integrity, respect, compassion, inclusiveness, social responsibility, excellence and innovation.

Strategic Priorities

- » Student Success
- » Research and Creative Activity
- » Quality Faculty and Staff
- » Community Partnerships
- » Infrastructure Stewardship

Reaffirmation of Accreditation

April 25-26, 2016

CMU
CENTRAL MICHIGAN
UNIVERSITY

cmich.edu/hlc

What is Accreditation?

Accreditation is a validation process used by the Higher Learning Commission to evaluate colleges, universities, and other institutions of higher learning.

Accreditation affirms that a university provides a quality education, which the public has the right to expect. A student who attends an accredited institution is not only assured of receiving a quality education but also of knowing that other colleges and employers will recognize the course credits and degrees earned.

CMU was first accredited in 1915 and has been accredited since, except for 1922-23. Every ten years, we must demonstrate that the institution deserves the right to retain its accreditation. CMU was last reaffirmed in 2006.

The reaffirmation process reviews all facets of the university based on five criteria (see the next section). The criteria encompass such things as CMU's finances and resources, compliance with federal regulations, educational quality, and a multitude of other factors.

Input from students, faculty, staff, alumni, and community members is also a crucial element in reaffirming our accreditation.

CMU's Bloomberg Financial Analysis Lab

**"Ultimately, Central is where
you discover your future, your
true self, your path forward."**

— George E. Ross, CMU president

Criteria for Accreditation

- 1. Mission:** The institution's mission is clear and articulated publicly; it guides the institution's operations.
- 2. Integrity – Ethical and Responsible Conduct:** The institution acts with integrity; its conduct is ethical and responsible.
- 3. Teaching and Learning – Quality, Resources, and Support:** The institution provides high quality education, wherever and however its offerings are delivered.
- 4. Teaching and Learning – Evaluation and Improvement:** The institution demonstrates responsibility for the quality of its educational programs, learning environments, and support services, and it evaluates their effectiveness for student learning through processes designed to promote continuous improvement.
- 5. Resources, Planning, and Institutional Effectiveness:** The institution's resources, structures, and processes are sufficient to fulfill its mission, improve the quality of its educational offerings, and respond to future challenges and opportunities. The institution plans for the future.

Questions?
CMUHLC@cmich.edu

Excellence at CMU

- » \$361 million in scholarships and financial aid distributed annually.
- » CMU influenced Michigan's economy to the tune of \$941 million per year.
- » 200+ academic programs, including 70+ graduate programs at the masters, specialist, and doctoral levels.
- » Academic programs hold 25+ specialized accreditations, including AACSB, ABET, ACEJMC, APA, and TEAC.
- » *U.S. News & World Report* rankings:
 - » Best online programs: graduate programs ranked #5, undergraduate programs #13, MBA #25.
 - » Best graduate programs: Audiology ranked #29, Speech-Language Pathology #84, Physical Therapy #99.
 - » Undergraduate Engineering ranked #98 among programs where doctorate is not offered.
- » First undergraduate neuroscience program in Michigan; voted 2013 Undergraduate Program of the Year by the Society for Neuroscience.
- » Only school in Michigan with degree programs in meteorology, and recreation and event management.

- Development Board (Donor Relations & Athletics Development) Central Michigan University (2005 to present)
- Planning Commissioner – Union Township (2012 to present)
- Licensed Builder
- Real Estate Broker
- BSBA – Central Michigan University

Memorandum

Date: February 22, 2016

To: Union Township Board

From: William Newkirk, Interim Manager 

Subject: Adjustments to Accountant's Position

I have completed a review of the current compensation level of our Accountant, and potential adjustments that could be made to that position and department. I have reviewed not only our accountant's current function and compensation level, but have also reviewed the relevant material available to me on comparable positions in the area. As a result of that research, I would recommend the following:

1. Based on the operations being handled by our Accountant, I believe it is warranted that the title of this position be changed from Accountant to Finance Director. This change more appropriately reflects the current function of that individual, and office.
2. As a reflection of the increased work load and responsibility of the Finance Director, I recommend a salary increase to \$60,000 for the 2016 fiscal year.
3. I further recommend that a part time assistant be hired to work in that office, assuming whatever duties are assigned by the Finance Director. The hours of employment for this position will be determined by the Finance Director and the Township Manager, with Board approval.

Due to the nature of the work load being carried currently by our Accountant, I urge the Union Township Board to consider these changes soon.

I will be happy to answer any questions you might have relative to this recommendation.

CHARTER TOWNSHIP OF UNION
Board of Trustees
Special Meeting

A special meeting of the Charter Township of Union Board of Trustees was held on February 23, 2016 at 6:00 p.m. at Union Township Hall.

Meeting was called to order at 6:00 p.m.

Roll Call

Supervisor Alwood, Clerk Henry, Trustee Lannen, Mielke and Mikus were present.
Excused: Treasurer Rice & Trustee Hauck

Memo

To: Charter Township of Union Board of Trustees

From: Kim Smith – Public Works Coordinator

Date: March 3, 2016

RE: Hydro Seeder Purchase – 2016 Budget Item

Attached please find three quotes and specifications for the purchase of a hydro seeder for the Township's water and sewer department. The hydro seeder will be used primarily for the restoration of resident's lawns/properties after the installation of water and sewer services and repairs. The hydro seeder will also be used at the Township's facilities including the parks as needed.

Currently the Township's staff purchases grass seed and straw to seed and mulch sites that require restoration. In many cases we have to return to these cleanup sites several times before the seed germinates sufficiently. The addition of the hydro seeder will help us achieve a better result the first time and increase our ability to restore resident's properties in a professional manner.

The bids are as follows:

Make/Model	Dealer	Dealer Location	Manufactured	Amount
Finn T-30 – 18HP	Alta Equipment	New Hudson, MI	Fairfield, OH	\$13,500.00
Turfmaker 325 – 14HP	Turfmaker Corp	Rowlett, TX	Rowlett, TX	\$13,427.50
Bowie 450 – 14HP	Midwest Bowie Sales	Pataskala, OH	Bowie, TX	\$17,600.00

I recommend that we purchase the **Finn T-30 Hydro Seeder from Alta Equipment** in the amount of **\$13,500.00**. This recommendation is based on the overall quality of the machine, engine size, and price. This item is included in the 2016 water and sewer budgets in the amount of \$15,000.00.

The Utility Department also investigated purchasing a trailer mounted hydro seeder but felt the cost to buy the trailer mounted unit to high. We will instead purchase a small utility trailer and mount the unit ourselves which we estimate to cost \$1,500.00 to \$2,000.00.

If you have any questions please let me know.

Thank you

John Bebow Recommends based
on Larger HP Motor/Better Built Machine

T-30 HydroSeeder® - 335 Gallon Working Capacity Tank

The T30 HydroSeeder® has been modified and redesigned to provide the ideal entry-level machine loaded with features that come standard with every unit. You can easily manage professional quality seeding, fiber mulching, straw tacking, and much more – all with legendary FINN efficiency and cost effectiveness.

Manufactured in Fairfield OH

FEATURES AND BENEFITS

- Durable, 335 gallon capacity steel tank
- Standard electric hose reel with 100 ft. rubber hose
- Hydraulically-driven and reversible mechanical agitator, ordinarily found only on larger machines for fast and thorough mixing
- Rugged, reliable mechanics for long life and easy maintenance
- Simple control for a one-man operation that is both economical and profitable
- FINN designed centrifugal pump that handles the thickest of slurries with ease
- 70' spray distance from end of hose
- FINN's top-notch design, engineering and quality construction

** bigger motor 18 HP
Electric Start*

** 100 Ft Hose
* 3 Nozzles*

WHO USES THE T-30 HYDROSEEDER®?

The FINN T30 HydroSeeder® is ideal for entry-level and smaller hydroseeding projects. Versatile, economical FINN HydroSeeder® loaded with big machine features. Perfect for Residential areas, Golf Courses, Sports Fields, Parks or Cemeteries.

With it, you can do professional quality hydroseeding, fiber mulching, fertilizing, straw tacking, foliar feeding, dust control, remote watering and more, efficiently and cost effectively. The T-30 readily doubles as a first response firefighter, portable wash-down rig, or mini water carrier. It also mixes and applies a wide variety of liquid, powdered or solid additives for landscape, soil building, erosion control, cleaning, and industrial uses.

It also mixes and applies a wide variety of liquid, powdered or solid additives for landscape, soil building, erosion control, cleaning, and industrial uses.

FINN has been designing and manufacturing Hydroseeders® since 1953. Let this experience and expertise go to work for you with the T30 Hydroseeder.

FINN

HydroSeeder® | Model T30

The FINN T30 HydroSeeder has been modified and redesigned to provide the ideal entry-level machine loaded with features that come standard with every unit. The T30 is the perfect FINN HydroSeeder for tackling smaller hydroseeding projects or an affordable way of adding to an existing fleet.

FINN developed HydroSeeder technology in 1953 and we've been the industry leader in quality and innovation ever since. With the FINN T30, you don't have to settle for less than proven and reliable FINN quality for a wide array of the most common hydroseeding applications.

Versatile & Economical.

The T30 is FINN's most economical HydroSeeder ever. You can easily manage professional quality seeding, fiber mulching, straw tacking, and much more – all with legendary FINN efficiency and cost effectiveness.

Feature-Packed Machine.

The FINN T30 HydroSeeder features a durable, 335 gallon liquid capacity steel tank; a hydraulically-driven and

reversible mechanical agitator for fast and thorough mixing; simple controls for economical one-man operation; a FINN-designed centrifugal pump that handles the thickest of slurries with ease; and forklift channels and lift ring for easy handling.

All T30 machines come standard with a powerful electric hose reel equipped with 100 feet of hose.

All Around Performance.

The T30 goes everywhere you need it to go: residences, cemeteries, golf courses, sports fields, office and apartment complexes, parks, and more.

As the world leader for over 70 years in the design and manufacture of innovative, quality equipment for the green industry, and as the inventor of the HydroSeeder, FINN Corporation is committed to your complete satisfaction.

T30 HydroSeeder

Made In Texas
Dealer in Texas

The TurfMaker® 325 Hydroseeder

The **TurfMaker®** Model 325 hydroseeder with mechanical agitation and gear pump is a cost effective alternative to jet agitation machines. Typically, jet agitation hydroseeders are limited to soupy slurries of paper mulch. Soupy paper mulch applications washout easily with rain and frequently yield spotty seed germination. Poor grass growing results make unhappy customers. The **TurfMaker®** 325 easily mixes and pumps thicker wood mulch slurries associated with **Sod Quality Results™** and happy satisfied customers.

The **TurfMaker**® 325 fully loaded weighs less than 4,000 pounds and is designed to fit in the back of a standard bed pick-up truck. Getting in and out of tight areas is quick and easy.

- One tank load covers 2,500 sq. ft. with wood mulch applied at 50 lbs per 1,000 sq. ft
- One tank load covers 1,650 sq. ft. with Flexterra® applied at 75 lbs per 1,000 sq. ft.
- One tank load covers 6,000 sq. ft. with paper mulch applied at 25 lbs per 1,000 sq. ft.

The most significant option is the self-filling and clear water hose flushing system.

A 550 gallon plastic tank on a trailer provides an on-board water source for two additional tank loads of application. This combination is capable of three tank loads of application with one trip to the water source. This is almost equal to a 975 gallon machine. A quality mulch application can be completed on a typical home lawn in about an hour.

Jet agitation machine buyers have wasted time on the job, time in their career, and performed poor grass planting services for their clientele, just because they did not know what it takes to produce good results with the hydroseeding process. Spraying colored water is not good business. Providing grass planting services with appropriate applications of quality mulch will produce **Sod Quality Results™** nearly every time. This good service results in satisfied customers and good future referral business.

Poor Mulch – Spotty Germination

Good Mulch – Full Coverage

TurfMaker® 325 Base Configuration

\$7,856.50

The base configuration **TurfMaker® 325** will mix and pump any mulch product (including Flexterra®) up to 125 pounds per tank load and pump that thick slurry through at least 100 feet of hose. Typical thickness slurries can be pumped through longer hoses.

The Base Configuration includes:

Honda GX 290 8.5 HP Engine

18/19 HP? Electric START

75' TurfMaker® hose

100-105' HOSE Solid

1 40 GPM Nozzle

Options For Greater Productivity:

Kohler 14 HP CH 440 Engine

19 HP?

125' TurfMaker® hose (two additional nozzles)

DAVE
MREN

Add a Clear Water Flush System for flushing the hose.

Add a Clear Water Flush System for self filling from an aux tank.

ELECTRIC

This 14 HP unit satisfies all but the most robust needs.

If you need to pump Flexterra through 300' of hose, larger engines are available.

Other upgrades include long life hard chromed pump with steel gears also available

Memo

Date: March 4, 2016

To: Charter Township Board of Trustees

RE: Financial Funding for MTT Appraisals

Our department is requesting funding for our Michigan Tax Tribunal cases. The following cases are scheduled for hearing:

Chips Housing LLC, Appraisal due September 19, 2016. The appraiser's quote is \$5,850.

Bob Evens, Appraisal due October 3, 2016. The quote is \$3,600.

Aldi's Appraisal due October 18, 2016. The quote is \$4,000.

Regards,

We are stilling waiting for them to schedule Campus Crest Apartments, Red Lobster, and Olive Garden.

I would anticipate that we would have at least another \$10,000 to \$12,000 for those appraisals to be completed.

I am requesting the Board to Trustee's to approve funding of \$25,000 to insure our ability defend our assessments.

The cost of the appraisals doesn't include any time for testimony if we have to go to trial.

Patricia M. DePriest, Assessor
Charter Township of Union

**CHARTER TOWNSHIP OF UNION
Isabella County, Michigan
Ordinance Number 2016-01**

801.001 TITLE.

Charter Township of Union Tax Exemption Ordinance as provided by the State Housing Development Act.

An ordinance to revise Ordinance 2012-09 and to provide for a service charge in lieu of taxes for a multiple family dwelling project for persons of low to moderate income to be financed or assisted pursuant to the provisions of the State Housing Development Authority Act of 1966, as amended.

The Charter Township of Union, Isabella County, Michigan, Ordains:

SECTION I

This Ordinance shall be known as the "Crisis Center, Inc. d.b.a. Listening Ear Crisis Center LDHA tax Exemption Ordinance."

SECTION II - PREAMBLE

It is acknowledged that it is a proper public purpose of the State of Michigan and its political subdivisions to provide housing for its citizens of low to moderate income and to encourage the development of such housing by providing for a service charge in lieu of property taxes in accordance with the State Housing Development Authority Act of 1966 (1966 PA 346, as amended, MCLA Section 125.1401 et.seq., MSA Section 16.114 (1) et.seq.) The Township is authorized by this Act to establish or change the service charge to be paid in lieu of taxes by any or all classes of housing exempt from taxation under this Act at any amount it chooses not to exceed the taxes that would be paid but for this Act. It is further acknowledged that such housing for persons of low to moderate income is a public necessity, and as the Township will be benefited and improved by such housing, the encouragement of the same by providing certain real estate tax exemption for such housing is a valid public purpose; further, that the continuance of the provisions of this Ordinance for tax exemption and the service charge in lieu of taxes during the period contemplated in this Ordinance are essential to the determination of economic feasibility of housing developments which are constructed and financed in reliance on such tax exemption.

The Township acknowledges that Crisis Center, Inc. d.b.a. Listening Ear Crisis Center (the "Sponsor") has offered, subject to receipt of an allocation under the Low Income Housing Tax Credit (LIHTC), to erect, own, and operate a housing development identified as Huntington Place on certain property located at 3166, 3176, 3220 and 3230 E. Deerfield Road, in the Township to serve persons of low to moderate income, and that the Sponsor has offered to pay to the Township on account of this Housing Development in annual service charge for public services in lieu of all taxes.

to accept payment of an annual service charge for public services in lieu of all property taxes. The annual service charge shall be equal to eight percent (8%) of the Annual Shelter Rents actually collected.

SECTION VI – LIMITATION ON THE PAYMENT OF ANNUAL SERVICE CHARGE

Notwithstanding Section V, the service charge to be paid each year in lieu of taxes for part of the Housing Development which is tax exempt and which is occupied by other than low income persons or families shall be equal to the full amount of the taxes which would be paid on that portion of the Housing Development if the Housing Development were not tax exempt.

The term "low income person or families" as used herein shall be the same meaning as found in Section 15(a)(7) of the Act.

SECTION VIII – PAYMENT OF SERVICE CHARGE

The service charge in lieu of taxes as determined under the Ordinance shall be payable in the same manner as general property taxes except that the estimated annual payment shall be paid on or before December 31 of each year. The sponsor shall submit a statement from its independent auditor verifying the amounts used to compute the payment are correct as reported. The statement and supporting documents which may be from the sponsor's federal tax return shall be due by February 28 following the tax year. Any adjustment in payment (from the estimated payment) shall be made on that date. Any claim for overpayment will be adjusted in the next December 31 payment due.

SECTION IX – DURATION

This ordinance shall remain in effect until December 31, 2028, so long as the Housing Development remains subject to income and rent restrictions pursuant to Section 42 of the Internal Revenue Code of 1986, as amended.

SECTION X – REPEAL AND AMENDMENT

The Township of Union may repeal and/or amend this ordinance subject to the provisions of the Act.

SECTION XI – TERMINATION

Notwithstanding anything contained herein to the contrary, should the sponsor fail to pay the final adjusted service charge in lieu of taxes granted hereunder or fail to provide the verification of the calculations used to make the payment, the Township of Union shall file a certificate of nonpayment upon the Sponsor of the Housing Development and the Authority by certified mail, with the Register of Deeds of Isabella County. Following the expiration of sixty (60) days after service upon the Sponsor and the Authority of a certificate of nonpayment, if payment and supporting documentation has not been made within the intervening sixty (60) days, the service charge in lieu of taxes granted by this ordinance shall automatically be terminated, retroactive to January 1 of that year.

ADOPTED BY THE TOWNSHIP BOARD:

Russ Alwood, Supervisor
Charter Township of Union Supervisor

STATE OF MICHIGAN)
) SS
COUNTY OF ISABELLA)

I, Margie, the duly qualified and acting Clerk of Charter Township of Union, Isabella County, Michigan,
