Unfamiliar with METRO Act?--Assistance: Municipalities unfamiliar with Michigan Metropolitan Extension Telecommunications Rights-of-Way Oversight Act ("METRO Act") permits for telecommunications providers should seek assistance, such as by contacting the Telecommunications Division of the Michigan Public Service Commission at 517-284-8190 or via its web site at http://www.michigan.gov/mpsc/0,4639,7-159-16372_22707---,00.html.

45 Days to Act—Fines for Failure to Act: The METRO Act states that "A municipality shall approve or deny access under this section within 45 days from the date a provider files an application for a permit for access to a public right-of-way." MCL 484.3115(3). The Michigan Public Service Commission can impose fines of up to \$40,000 per day for violations of the METRO Act. Case No. U-12895

At the August 16, 2001 meeting of the Michigan Public Service Commission in Lansing,
Michigan.

PRESENT: Hon. Laura Chappelle, Chairman
Hon. David A. Svanda, Commissioner
Hon. Robert B. Nelson, Commissioner

OPINION AND ORDER

On March 29, 2001, RVP Fiber Company, L.L.C., (RVP) filed an application, pursuant to the Michigan Telecommunications Act (MTA), MCL 484.2101 et seq.; MSA 22.1469(101) et seq., for a license to provide basic local exchange service in all exchanges currently served by Ameritech Michigan, Verizon North Inc., and Contel of the South, Inc., d/b/a Verizon North Systems.

At a hearing on June 19, 2001, RVP presented the testimony and exhibits of Barry Raterink, its President. The testimony of Margaret VanHaften of the Competitive Services Section of the Commission's Communications Division was also admitted into the record. Ms. VanHaften indicated that if the Commission grants the application, it should acknowledge certain regulatory

requirements specified in the MTA. At the close of the hearing, the parties waived compliance with the provisions of Section 81 of the Michigan Administrative Procedures Act, MCL 24.281; MSA 3.560(181).

After a review of the application and testimony, the Commission finds that approval of the application is in the public interest. On numerous occasions, the Commission has found that competition can be advantageous to the citizens of this state. Approval of the request for a license to provide basic local exchange service will expand the opportunities for competition. Accordingly, the application should be approved. The grant of a license is conditioned on full compliance with the provisions of the MTA, as well as the anti-slammings procedures adopted in Case No. U-11900 and the number reclamation process adopted in Case No. U-12703. Failure to comply fully may result in revocation of the license or other penalties. Further, the grant of a license is conditioned upon the provision of service to customers within a reasonable time. Failure to do so may result in revocation of the license. Finally, the Commission notes that any numbers obtained by the applicant are a public resource and are not owned by the applicant. Consequently, if the applicant fails to provide service or goes out of business, any numbers assigned to it are subject to reclamation.

The Commission FINDS that:

- a. Jurisdiction is pursuant to 1991 PA 179, as amended, MCL 484.2101 et seq.; MSA 22.1469(101) et seq.; 1969 PA 306, as amended, MCL 24.201 et seq.; MSA 3.560(101) et seq.; and the Commission's Rules of Practice and Procedure, as amended, 1992 AACCS, R 460.17101 et seq.

b. RVP possesses sufficient technical, financial, and managerial resources and abilities to provide basic local exchange service to all residential and commercial customers within the geographic area of the license and intends to provide service within one year from the date of this order.

c. Granting RVP a license to provide basic local exchange service in the requested areas will not be contrary to the public interest.

THEREFORE, IT IS ORDERED that:

A. RVP Fiber Company, L.L.C., is granted a license to provide basic local exchange service in all exchanges currently served by Ameritech Michigan, Verizon North Inc., and Contel of the South, Inc., d/b/a Verizon North Systems.

B. RVP Fiber Company, L.L.C., shall provide basic local exchange service in accordance with the regulatory requirements specified in the Michigan Telecommunications Act, MCL 484.2101 et seq.; MSA 22.1469(101) et seq., including the number portability provisions of Section 358, the anti-slammings procedures adopted in Case No. U-11900, and the number reclamation process adopted in Case No. U-12703.

C. Before commencing basic local exchange service, RVP Fiber Company, L.L.C., shall submit its tariff reflecting the services that it will offer and identifying the exchanges in which it will offer service.

The Commission reserves jurisdiction and may issue further orders as necessary.

Any party desiring to appeal this order must do so in the appropriate court within 30 days after issuance and notice of this order, pursuant to MCL 462.26; MSA 22.45.

BACKGROUND INFORMATION

Four Hacks, LLC., is in the process of developing a condominium project on a parcel in the “Village of Isabella City” plat (the “Plat”).

At the Board of Trustees meeting held on January 9, 2019 the Board approved a Petition of Abandonment that was required for the matter to be brought before the Isabella County Road Commission. Since that time, it has been determined that the abandonment area should be smaller than originally contemplated. The approval of the attached revised Petition of Abandonment will allow for final consideration by the Road Commission and if approved by the Commission, allow this development to proceed.

BACKGROUND INFORMATION

On November 6, 2018 the voters in the State of Michigan approved Proposal 2018-1. This proposal has already gone into effect. Proposal 2018-1 pertains to recreational Marihuana instead of medicinal Marihuana which was approved by voters in November of 2008. The Township cannot prohibit or regulate the use of Marihuana. The Township may only prohibit through an ordinance any or all types of recreational Marihuana establishments.

On December 19, 2018 Ord 2019-01 was introduced for a first reading to the Board of Trustees. During that meeting some discussion occurred but, no action was taken. The Ordinance has been modified to include an "Amendment" section to the Ordinance. The Township Board may amend or repeal at any time by Ordinance.

On February 27, 2019 the Board of Trustees re-introduced Ordinance 2019-01. After careful consideration and deliberation, the Board chose to hold a public hearing for the adoption of Ordinance 2019-01 on March 13, 2019. Notice of the public hearing was posted in the newspaper.

SCOPE OF SERVICES

This ordinance (attached) prohibits Marihuana establishments within the boundaries of the Charter Township of Union. It further provides the following:

- Provides penalties for violation of this ordinance.
- Provides for severability of this ordinance.
- Repeals all ordinances or parts of ordinances in conflict therewith

JUSTIFICATION

The State of Michigan has one (1) year to establish a new regulatory system for potential Marihuana establishments. Not knowing what that regulatory system will be now this "Opt-Out" ordinance provides the Township time to evaluate whether to "Opt-In" once a regulatory system has been established. If a municipality does not have a prohibiting ordinance the State of Michigan will issue a license to qualifying recreational Marihuana facilities wishing to locate in the Township once the new regulatory system is established.

PROJECT IMPROVEMENTS

The following Board of Trustees goal is addressed with this request.

1. Community well-being and common good.

COSTS

N/A

PROJECT TIME TABLE

The ordinance is first introduced to the Township Board for a 1st reading. If the Board does so choose they may vote to have a public hearing published for the adoption of the ordinance at their next meeting. Following the public hearing the Township Board may adopt the ordinance along with publishing in the paper a notice of the ordinance's adoption. The ordinance shall take effect 7 days after the notice of adoption has been published.

RESOLUTION

It is further resolved that the Board of Trustees adopted Ordinance 2019-01 on March 13, 2019. The Ordinance shall become effective seven (7) days after the notice of adoption is published on March 16, 2019.
