Progress on Development/Tax Increment Finance Plan Goals and Objectives

The EDA continued to make good progress towards completion of specific project priorities listed in the East DDA and West DDA Development and Tax Increment Financing Plans, despite the challenges to the Township, the business community, and the construction industry caused by the COVID19 pandemic-related shutdowns and capacity restrictions. During the COVID19 shutdown period (March – June, 2020), the activities of Township staff and EDA contractors were focused on ensuring that the public amenities (banners, flowers, lawncare) along the E. Pickard Rd. corridor were established and maintained in as normal a manner as possible, to show that the corridor was “open for business” despite the pandemic.

All projects included in this report for 2020 are consistent with the goals and objectives of these plans. For 2021, the EDA Board is proceeding with a project to complete an update and extension of the East DDA and West DDA Development and Tax Increment Financing Plans in order to allow for completion of all project priorities in the Districts.
