<b>To:</b> Economic Development Authority Board	<b>DATE:</b> September 13, 2023
<b>FROM:</b> Rodney C. Nanney, AICP Community and Economic Development Director	<b>DATE FOR CONSIDERATION:</b> 9/19/2023
<b>ACTION REQUESTED:</b> To review and provide feedback on the summary of projects included in the staff-recommended FY2024 budget proposals for the East and West DDA Districts.	

### **BACKGROUND INFORMATION**

The recommended FY2024 budgets for the East and West DDA Funds will be included on the regular October meeting agenda for formal review and action by the EDA Board, which will include making a recommendation for final approval by the Board of Trustees as part of their budget review in December.

As a first step in this process, we have prepared the following summaries of projects proposed by staff to be included in one or both of the DDA Fund budgets for an initial review and discussion by the EDA Board prior to formal review and action next month.

These projects are intended to be consistent with the adopted DDA District development plans and the EDA Board's implementation strategies for each District.

### **Items Proposed to be Included in Both DDA District Fund Budgets for 2024**

The following is a summary of projects proposed by staff to be included in the FY2024 budgets for both DDA Districts:

- A. Continuation of funding of \$40,000 in each DDA District is proposed for grant programs to assist local businesses with signage, beautification, and access improvements.
- B. An increase from \$500 to \$1,000 in the annual contributions is proposed from each DDA District to continue to support the operation and maintenance of the Mt. Pleasant Airport's Crew Car courtesy vehicle. The vehicle has proved to be very popular with flight crews on layover to access District businesses.
- C. Funding of \$10,000 is proposed from each DDA District to help support the creation of a new set of seasonal gateway banners for the US-127 interchange. The current banners are becoming weather-worn. This project will also involve funding and creative support from the Mt. Pleasant Area Convention and Visitors Bureau.

### **East DDA District Fund Budget Items Proposed to be Included for 2024**

The following is a summary of projects proposed by staff to be included in the FY2024 East DDA District Fund budget:

- (1) Funding of \$450,000 is proposed for reconstruction of the underground irrigation system along both sides of E. Pickard Rd. (M-20). This amount is based on a preliminary cost estimate provided by the Township's irrigation contractor.

- (2) Funding of \$25,000 is proposed for tree trimming and removal and replacement of dead trees along the E. Pickard Rd. (M-20) corridor. Staff anticipates making application to the Consumers Energy tree planting grant program in 2024 for additional funding to support the replacement tree element of this project.
- (3) Funding of \$20,00 has been carried over from 2023 for the Installation of a new gateway entrance sign in partnership with Mid Michigan College and Consumers Energy on the SW corner E. Pickard Rd. (M-20) and S. Summerton Rd.
- (4) Funding of \$40,000 has been carried over from 2023 for demolition and replacement of the dilapidated Enterprise Industrial Park freestanding sign at 5800 E. Pickard Rd., which may include use of an electronic message board sign element to expand opportunities for promotion of industrial park businesses.
- (5) Funding of \$550,000 is proposed for potential land assembly to help facilitate expanded industrial/research/warehouse/distribution center development opportunities and eligibility for state and federal economic development programs aimed at supporting local governments with funding for industrial site and infrastructure improvements.
- (6) Funding of \$100,000 has been carried over from 2023 for engineering work needed to facilitate water system looping to support land zoned or planned for industrial uses on the S Summerton Rd. frontage of the Enterprise Industrial Park.
- (7) A total of \$520,000 is proposed for sidewalk projects that include one side of Bud St. from E. Pickard Rd. (M-20) north to Jameson Park, along the east side of S. Isabella Rd. from E. Kay St. south to E. Broadway Rd., and across the unbuilt road right-of-way owned by the Township on Honey Bear Lane to the adjacent Broadway Acres Mobile Home Park. These projects have been carried over from 2023.
- (8) Funding of \$90,000 is proposed for installation of lighting along the new concrete sidewalk across the 5243 Jonathon Lane lot owned by the Township that connects E. Kay St./3<sup>rd</sup> St. to Jonathan Lane in the East DDA District. The sidewalk and perimeter fence improvements recently completed on this lot were funded by the Board of Trustees using American Rescue Plan Act (ARPA) funds received by the Township in 2022.

#### **West DDA District Fund Budget Proposed to be Included for 2024**

The following is a summary of projects proposed by staff to be included in the FY2024 West DDA District Fund budget:

- (1) Funding of \$50,000 is proposed for the development of a plan for streetlighting and additional streetscape improvements along E. Remus Rd. (M-20). This project has been carried over from 2023
- (2) Funding of \$175,000 is proposed for extension of the public sidewalk along E. Remus Rd. (M-20) north along Bradley St. to connect to the existing sidewalk in front of the Middle School (440 S. Bradley St.). The new sidewalks along E. Remus Rd. in the West DDA District have proved to be very popular with area residents. Staff has received a number of requests for this additional connector to complete a safe and convenient pedestrian link to the Middle School across the border to the north in the City of Mt. Pleasant.
